Motorcycle Club®

November, 2022

TUCSON
ARIZONA

Monthly meetings: 2nd Sunday of each month

When: April thru September 8:00 AM; October thru March 9:00 AM

Location: Golden Corral Buffet & Grill 6865 N. Thornydale Road, Tucson, AZ

October meeting notes: We had a good crowd for our meeting. We saw many familiar faces - they have been missing from our monthly meetings. It was good to see George B., Roy and Lisa, Keith and Pat M. Andrew brought a guest - Keith. Welcome to ALL. Our membership is currently at 160 members. We will begin our membership renewal soon - 2023 membership cards have been received and will be distributed at the next meeting.

We had very sad news to report - our member Rosemary Russell passed away.

Roger Deevers spoke about the rainy roads and also about an incident with a bicyclist's. Roger had never expected to see a bicycle riding on the sidewalk. Thankfully Roger is always looking twice and avoid any issues with the cyclist. Just a reminder to keep up your good habits even if you are on 4 wheels and not two. We also recapped a few motorcycle accidents that have occurred recently. Again a moments glance can be the cause of an accident with tragic outcomes.

We still need to have inputs on rides. Veterans Day parade is Friday, November 11 - if anyone wishes to participate please let us know.

Our Christmas party caterers have been contacted, once we have an idea of the number of people attending we can determine the cost. If there is a cost it should be nominal \$2/person. Guests will be \$10/person. As in the past we will have round tables - set for 8 people/table. Decorations, plates, silverware, cups, condiments are part of the table set up. We are requesting fruit plate/platter, green salad and dressing. We seem to have so many desserts if you wish to bring something else you are welcome to bring something different for the group to share.

We sang Happy Birthday to all of our October birthday's : Butch, Rose, Dave G, Mark A, Derryl, Jim R and Cheryl. I am pretty sure you could hear us wherever you were - off key and loud!

Don't forget next meeting is Sunday, November 13, 2022 - doors open at 8 with meeting beginning at 8:30.

SAFETY CONCERNS

Roger Deevers, Safety Officer

CONSTANT VIGILANCE

WHAT WE SEE, WHAT THEY SEE

Motorcycle riders are aware that the two wheel perspective is quite different than the four wheel perspective. From a vantage point of two wheels everything must be observed. In an enclosed vehicle much less can be observed because of the obstacles placed in the construction of the vehicle such as windshield pillars, door posts and roof supports. Many times those obstacles obscure the motorcycle from the vision of the driver. That along with the many distractions such as signs, other vehicles and perhaps passengers, places a motorcyclist in a situation of disadvantage. They often simply don't see us. Therefore we must see them and even seemingly read their minds to predict what they will do in order to avoid them.

We are getting into the time of the year when seasonal visitors typically known as "snow birds" are returning. Many are our own members who we are delighted to see again. The down side is the noticeable increase in traffic. The race is on even more so than with typical traffic. Be patient! Don't take a chance pulling out into the path of someone in a hurry to get to the grocery store, Costco or Home Depot. Remember, they often don't see us.

Colder temperature require closer attention to tire pressure. Make sure your tires are inflated properly. The best time to check is in the morning when the tires are cold. Inflate to the pressure recommended in the owners manual. A pound or two over is not a concern. Also pay attention to the age of your tires. The date code, on the sidewall, is four numbers: The first two are the week of the year, the last two are the year the tire was made. Wear bars are molded into the tread, If the wear is down to the wear bar, time for new tires.

We are free to chose how safe we want to be in our selection of riding apparel. Recommended, of course, is a full face helmet with solid chin bar, a made for motorcyclists jacket with armor and gloves that offer full hand protection.

Ride Safe

LANE FILTERING LAW (SB1273)

ARIZONA'S NEW LANE FILTERING LAW (SB1273) ALLOWS A MOTORCYCLE TO TRAVEL BETWEEN LANES OF TRAFFIC IN VERY SPECIFIC INSTANCES:

HERE ARE SOME THINGS YOU, AS A MOTORCYCLIST, NEED TO KNOW:

- NO FREEWAYS THIS IS NOT THE CALIFORNIA "LANE SPLITTING" LAW! THE ARIZONA LAW ONLY ALLOWS LANE FILTERING ON SURFACE STREETS WITH A SPEED LIMIT OF 45 MPH OR SLOWER.
- NOT EVERY STREET, ONLY ON STREETS THAT HAVE 2 OR MORE LANES IN THE SAME DIRECTION.
- NOT MOVING YOU MAY NOT PASS A VEHICLE IN MOTION. YOU MAY ONLY OVERTAKE A VEHICLE BETWEEN LANES THAT IS STOPPED.
- NO SPEEDING THE MAXIMUM SPEED FOR A MOTORCYCLE TRAVELING BETWEEN LANES IS 15 MPH. AND (YOU'LL WANT TO DO THIS ANYWAY) YOU MUST RECOGNIZE THAT YOU CAN MOVE BETWEEN LANES SAFELY BEFORE BEGINNING LANE FILTERING.
